

Condition of Crops.—Standing crops are fair, except in Manjarabad Taluk where more rain is needed.

Prospects.—Generally good.

Health.—Good, except in parts of Mudgere and Manjarabad where fever prevailed during the month; but in the Taluks of Hassan and Belur people are reported to have suffered much from the intensity of the sun and failure of water-supply.

Live-Stock.—The loss in cattle has fallen from 1,237 in the previous month to 831 in this month. Foot and mouth disease prevailed in a small degree in Mudgere Taluk. The small-pox which raged in the Taluks of Kadur and Arsikere last month abated this month, and the loss under this head was but insignificant. In other Taluks the live stock is in fair condition; but in parts of Arsikere Taluk cattle are reported to have suffered much from want of forage and water.

Lands.—Lands assessed at Rs. 6,429—12—0 were taken up for cultivation, while lands assessed at Rs. 15,438—14—0 were resigned. The large number of resignations was owing to the closing of the official year and the term of tendering resignations.

Prices.—Stationary.
